ORDERING REMINDERS

1. PLEASE FILL OUT THE ORDER FORM COMPLETELY:

- A. Client's name
- B. Your name and address
- C. Earmold style and material
- D. Amount of loss
- E. Which ear you are fitting
- F. Color of earmold desired
- G. Make and model of aid you are fitting
- H. Tubing information

2. REMAKES:

- A. You should always send new impressions if possible.
- B. Please give us a reason for remake.
- C. We keep old impressions for only 30 days.

3. CHANGE IN STYLE OR MATERIAL

- A. Send new impressions if possible.
- B. We cannot change a mold that was originally made a #3 or #4 mold from the original impression, to a full mold such as a #2 or #5 mold. If the first mold was a #3 or #4 mold you must send us a new impression if you desire a change to a full mold.

- 4. The Helix area of an earmold is seldom needed on an ear level fitting. If you do not mark the box for Helix on the order form, we will not supply the earmold with a Helix. We do recommend a Helix on the #1 Regular molds when you are fitting a body worn instrument.
